Subject: Grant-in-Aid/Climate Solutions Expo

Dear Alison,

A group of 6 friends, in partnership with Cowichan Green Community, are planning the first Cowichan Valley Climate Solutions Expo to be held at The Hub in Cowichan Station on Saturday, May 25, 2024 from 10:00 am to 4:00 pm. The main goal of the event is to raise the awareness of attendees regarding current local and regional climate solutions so that they will be inspired to take action on practical climate solutions in their homes and local communities within the Cowichan Valley. A secondary goal is for exhibitors to meet and network with each other. The exhibitors represent a wide variety of areas of the economy and climate solutions.

Details to date: A non-partisan event that is free to the public and exhibitors. We have confirmations from 11 organizations (businesses, schools and nonprofits), with an additional 4 pending. Attendees will circulate among the exhibits and will be able to interact with the exhibitors.

We are requesting a contribution of \$250 from each of you south Cowichan directors to cover venue rental and incidentals.

The cheque would be made out to Cowichan Green Community, 360 Duncan St, Duncan BC V9L 3W4.

Please let me know if you require additional details.

Respectfully submitted,

Chris Ralston
