WRITING POETRY FOR WHOLENESS
 Feb. 21, 10am - Noon: Seasoned Instructor & Poet, Richard Osler, shares this generative poetry workshop about the art of writing as a gentle path to healing, exploration & expression. In Richard's sessions, everyone discovers, yes, you can write poetry.

GUIDED IMAGERY & MUSIC
 Feb. 23, 10am - Noon: Credentialed Music Therapist, Maryanne Burrows guides participants through an introductory session & explains how & why music enhances wellness & healing.

SUPER DOLL
 Mar. 7, 10 am - Noon: With Artist & Art Therapist Stefanie Denz. Use simple techniques to create a unique doll. Then discover its special, supporting qualities & other insights. Stefani's workshops help participants to, "Listen to your inner wisdom ..."

RECONCILIATION GAME
 Mar. 8, 10 am - Noon: A former teacher, now artist, James Darin Corbiere created the Reconciliation Game to help students understand Reconciliation. Players of all ages quickly become acquainted with the complexities & dynamics of this national project.

MANDALA MAGIC
 Mar. 27, 10 am - Noon: Many would like to draw mandalas, but fear they lack the skill. Artist & Instructor Sarah Clark shows that anyone can create some serious magic in a mandala of their own.

CIRCLE DANCE
 Mar. 27, 2 - 4pm: Join leading Circle Dance instructor Betsy Nuse for this participatory Circle Dance session. Rhythm, movement, music & simple steps combine for deep calm, connection & reflection.
