Dear Director Segall,

Q'Shintul (Mill Bay Nature School) is located on the unceded, ancestral lands of the Hulq'umi'num' speaking people. Since our opening six years ago, we have been tasked with educating children in a different way than you may see at other public schools. A large part of this work involves taking up the BC Curriculum in a lived and experiential way. Our journey has seen us become involved with many community members and organizations, including Elders and Knowledge Holders from the Cowichan Valley.

The learning that stems from these relationships (for both children and adults) has been astounding, and includes murals, drum making, witnessing, ceremonial protocols, bone game and problem solving - to name a few. This rich learning is born from the land and the people who have sustained it since time immemorial.

It is only through donations and fundraising that we can fund this work. Despite the centrality of First Peoples ways of being and knowledge to the public curriculum, there is *no funding* for this important work. I am writing on behalf of our school to request \$1,000 towards Truth and Reconciliation work at Q'Shintul. This money will be used toward the payment of Knowledge Holders and Elders, as well as toward any materials that students may need to access this work.

Thank you so much for your consideration and support. Please feel free to contact me if you have any questions. My phone number is 250 309 9483. I can also be reached at choefsloot@sd79.bc.ca

Sincerely,

Cayla Hoefsloot, Educator
