

RECREATION FEES AND CHARGES – RENTAL SPACES

Applicability: Community Services Department – Recreation Divisions

Effective Date: September 03, 2024

PURPOSE:

To maintain a consistent approach with room rental fees and charges for the following CVRD Recreation facilities:

- Cowichan Community Centre (CCC)
- Cowichan Lake Sports Arena (CLSA)
- Cowichan Lake Community Halls (CLCH)
- Kerry Park Recreation Centre (KPRC)
- Shawnigan Lake Community Centre (SLCC)

BACKGROUND/SCOPE:

The Cowichan Community Centre, Kerry Park Recreation Centre, Shawnigan Lake Community Centre, Cowichan Lake Sports Arena and Cowichan Lake Community Halls have traditionally had different fees for rental spaces.

DEFINITIONS:

1. RENTAL SPACE

- a. Any space within a CVRD recreation facility that is rented out to members of the public, excluding ice rentals. (*e.g. small classroom-style room; large gymnasium; kitchen; etc.*)

2. ROOM CATEGORIES

- a. Type of rooms based on size and purpose, that are used at all recreation facilities to help create consistency in room rental fees. All room categories are listed in Schedule A.

3. EXTRA FEES

- a. Fees charged to rentals that require additional equipment, set-up/take-down or staff resources.

4. RATES

- a. **General Rate:** the default rate for rental spaces.
- b. **Youth Organization Rate:** the rate for rentals to youth groups / organizations where participants are 18 years old and under.
- c. **Non-Profit Rate:** the rate for rentals to users that are a registered society.
- d. **Hourly Rate:** the rate per hour up to 10 hours per day.
- e. **Daily Rate:** the discounted rate for rentals that are longer than 10 hours (the hourly rate for 10 hours will be held).

POLICY:

1. RENTAL SPACES

a. Rate Considerations

- i. CCC and KPRC rates will be the same by September 2026; and CLR rates will be 95% of the other centres' rates in an effort to attract more business since CLR facilities are more remote.
- ii. General rate is the default rate for all rentals.
- iii. Youth Organization rate is 80% of the General rate.
- iv. Non-Profit rate is 80% of the General rate.
- v. After 10 hours, up to a maximum of 16 hours, the daily rate will apply.

b. Rate Rationale

- i. Previous rental guidelines had no consistency between facilities and were confusing for the user and the administrators.
- ii. Rental spaces were categorized based on their size and main purpose of use.
- iii. The General rate is based on the previous 'Adult' rates and is used as the default rate for all rentals because it applies to the majority of renters.
- iv. Discounts from the General rate for Youth Organizations and Non-Profit groups are offered to encourage youth activities and support organizations that provide benefit to the community.
- v. Consistency in these rental costs will allow for ease of booking and affordability across all facilities.

2. EXTRA FEES

a. Rate Considerations

- i. Extra fees for equipment and staff will be applied to applicable rentals per facility discretion.
- ii. There are two categories of set-up / take-down, which will be determined by staff estimates. Quotes will be provided to the renter before the booking is finalized.
 - Setup that takes up to 30 minutes is included in base rental rate.
 - Due to resource limitations, setup may not be available at CLR Community Halls.
 - Set up that takes longer than 30 minutes will incur an extra fee.
- iii. Extra fees will have consistent rates across all facilities, where possible.

Recreation Fees and Charges – RENTAL SPACES

b. Rate Rationale

- i. Extra fees are necessary for some rentals, and because every rental request is different and specific, there will be discretion about when certain fees will be applied to certain rentals.
- ii. Set-up and take-down requiring more than 30 minutes is based on cost recovery of wages.

3. SPECIAL EVENT RENTALS

a. Rate Considerations

- i. Package options (e.g. weddings, parties, memorials, special events) are available and will be based on cost recovery of services offered for each event.
- ii. Package categories will be based on the number of attendees (see below), but will also consider the room size and estimated set-up and take-down time on a case-by-case basis:
 - a. Small: 0 – 49
 - b. Medium: 50 – 149
 - c. Large: 150 – 349
 - d. XL: 350 – 499
 - e. XXL is 500+

b. Rate Rationale

- i. Due to the complex nature of large events and the different amenities available at each recreation facility, it is difficult to outline the costs and logistics for every possible scenario; therefore, some customization may be required.

4. INTERNAL RENTALS

a. Rate Considerations

- i. Fees may be waived for rentals / bookings by CVRD staff for CVRD business operations only and do not include other activities such as public meetings.

b. Rate Rationale

- i. Due to the volume of internal bookings at CVRD recreation facilities, it is necessary to recoup some costs for the loss of external revenue opportunities.

Recreation Fees and Charges – RENTAL SPACES

5. FEE SCHEDULE

- a.** Fees and charges are established and adopted by CVRD Recreation Commissions and form Schedule B of this policy.
