Presentation Topic and Nature of Request	We will share a general update on our activities, express appreciation for the Board's support and let you know its recent positive impacts in our communities. We would be glad of any comments, input or questions from the Directors.

We have also commissioned an artwork to present as a gift to the Board. (Just so you know, it's a small piece)

We've selected April 5/24 above. However, we are flexible if other dates need to be considered.
