Presentation Topic and Nature of Request

Our Rotary EcoClub sponsors an Adopt-an-Area LitterWatch initiative in Shawnigan Lake.

Our annual Community Clean Up efforts have evolved from 2018 and 2019 to a "Clean Where You Are" approach under pandemic distancing guidelines in 2021 that inspired today's collective approach and sustainable model.

Becoming Canada's first Rotary EcoClub in 2021, we reinvigorated Shawnigan's Clean Up event in 2022 and 2023 to include a streamlined and map-based, online intake form and interactive way to coordinate these efforts year-round.

Through the Adopt-an-Area LitterWatch Webpage and FB Group, we seek to encourage everyone to collectively maintain our beautiful litter-free community beyond each April Earth Day/Week.

By facilitating this type of self-directed public engagement, we promote positive actions and a shared sense of neighbourhood responsibility. LitterHeroes even report an improved mental outlook through their intentional "curb appeal" work. The benefits abound for the long-term health of our shared outdoor habitats.

We hope that every part of the CVRD will be able to copy (and further develop) our example! Further details are available at <https://shawniganrotaryecoclub.ca/shawnigan-community-clean-up/#LitterWatchRegistration>

Together We Care! We appreciate your continued support, and welcome your feedback.
