Dear CVRD Board and standing committee Members:

As a property owner in Mill Bay at 2516 Mill Bay Road I am writing to express my support for the development proposed at 2530 Mill Bay Road.

The development would fit well with the neighbourhood offering unique design and architectural features that pay respect to the historic nature of the area. As someone who has lived in this neighbourhood for many years, this project will greatly assist with the rejuvenation of Mill Bay.

I hope that this letter conveys to my support of this project and my wishes to see it complete.

Sincerely,

Chris Arden, 2516 Mill Bay Road.
