## **Uses and Zones Requiring a Buffer**

For the illustrative maps depicting the production and processing of cannabis, a buffer of 150 m was created around parcels with the following uses or zones:

- Public and independent schools
- Parks
- Licensed child care facilities
- Residential or Rural Residential zones
- Park zones
- Institutional zones
- Comprehensive Development zones
- Mixed-Use zones

Note that unlicensed child care facilities were not included in the maps.

**Map Limitations**

The information found on this map represents the current inventory of zoning that allows for production and processing of cannabis as per CVRD Bylaw 4349 - Cannabis Uses, 2021, as well as the current inventory of land uses from which cannabis production and processing businesses must be spaced (see 150 m Buffer).

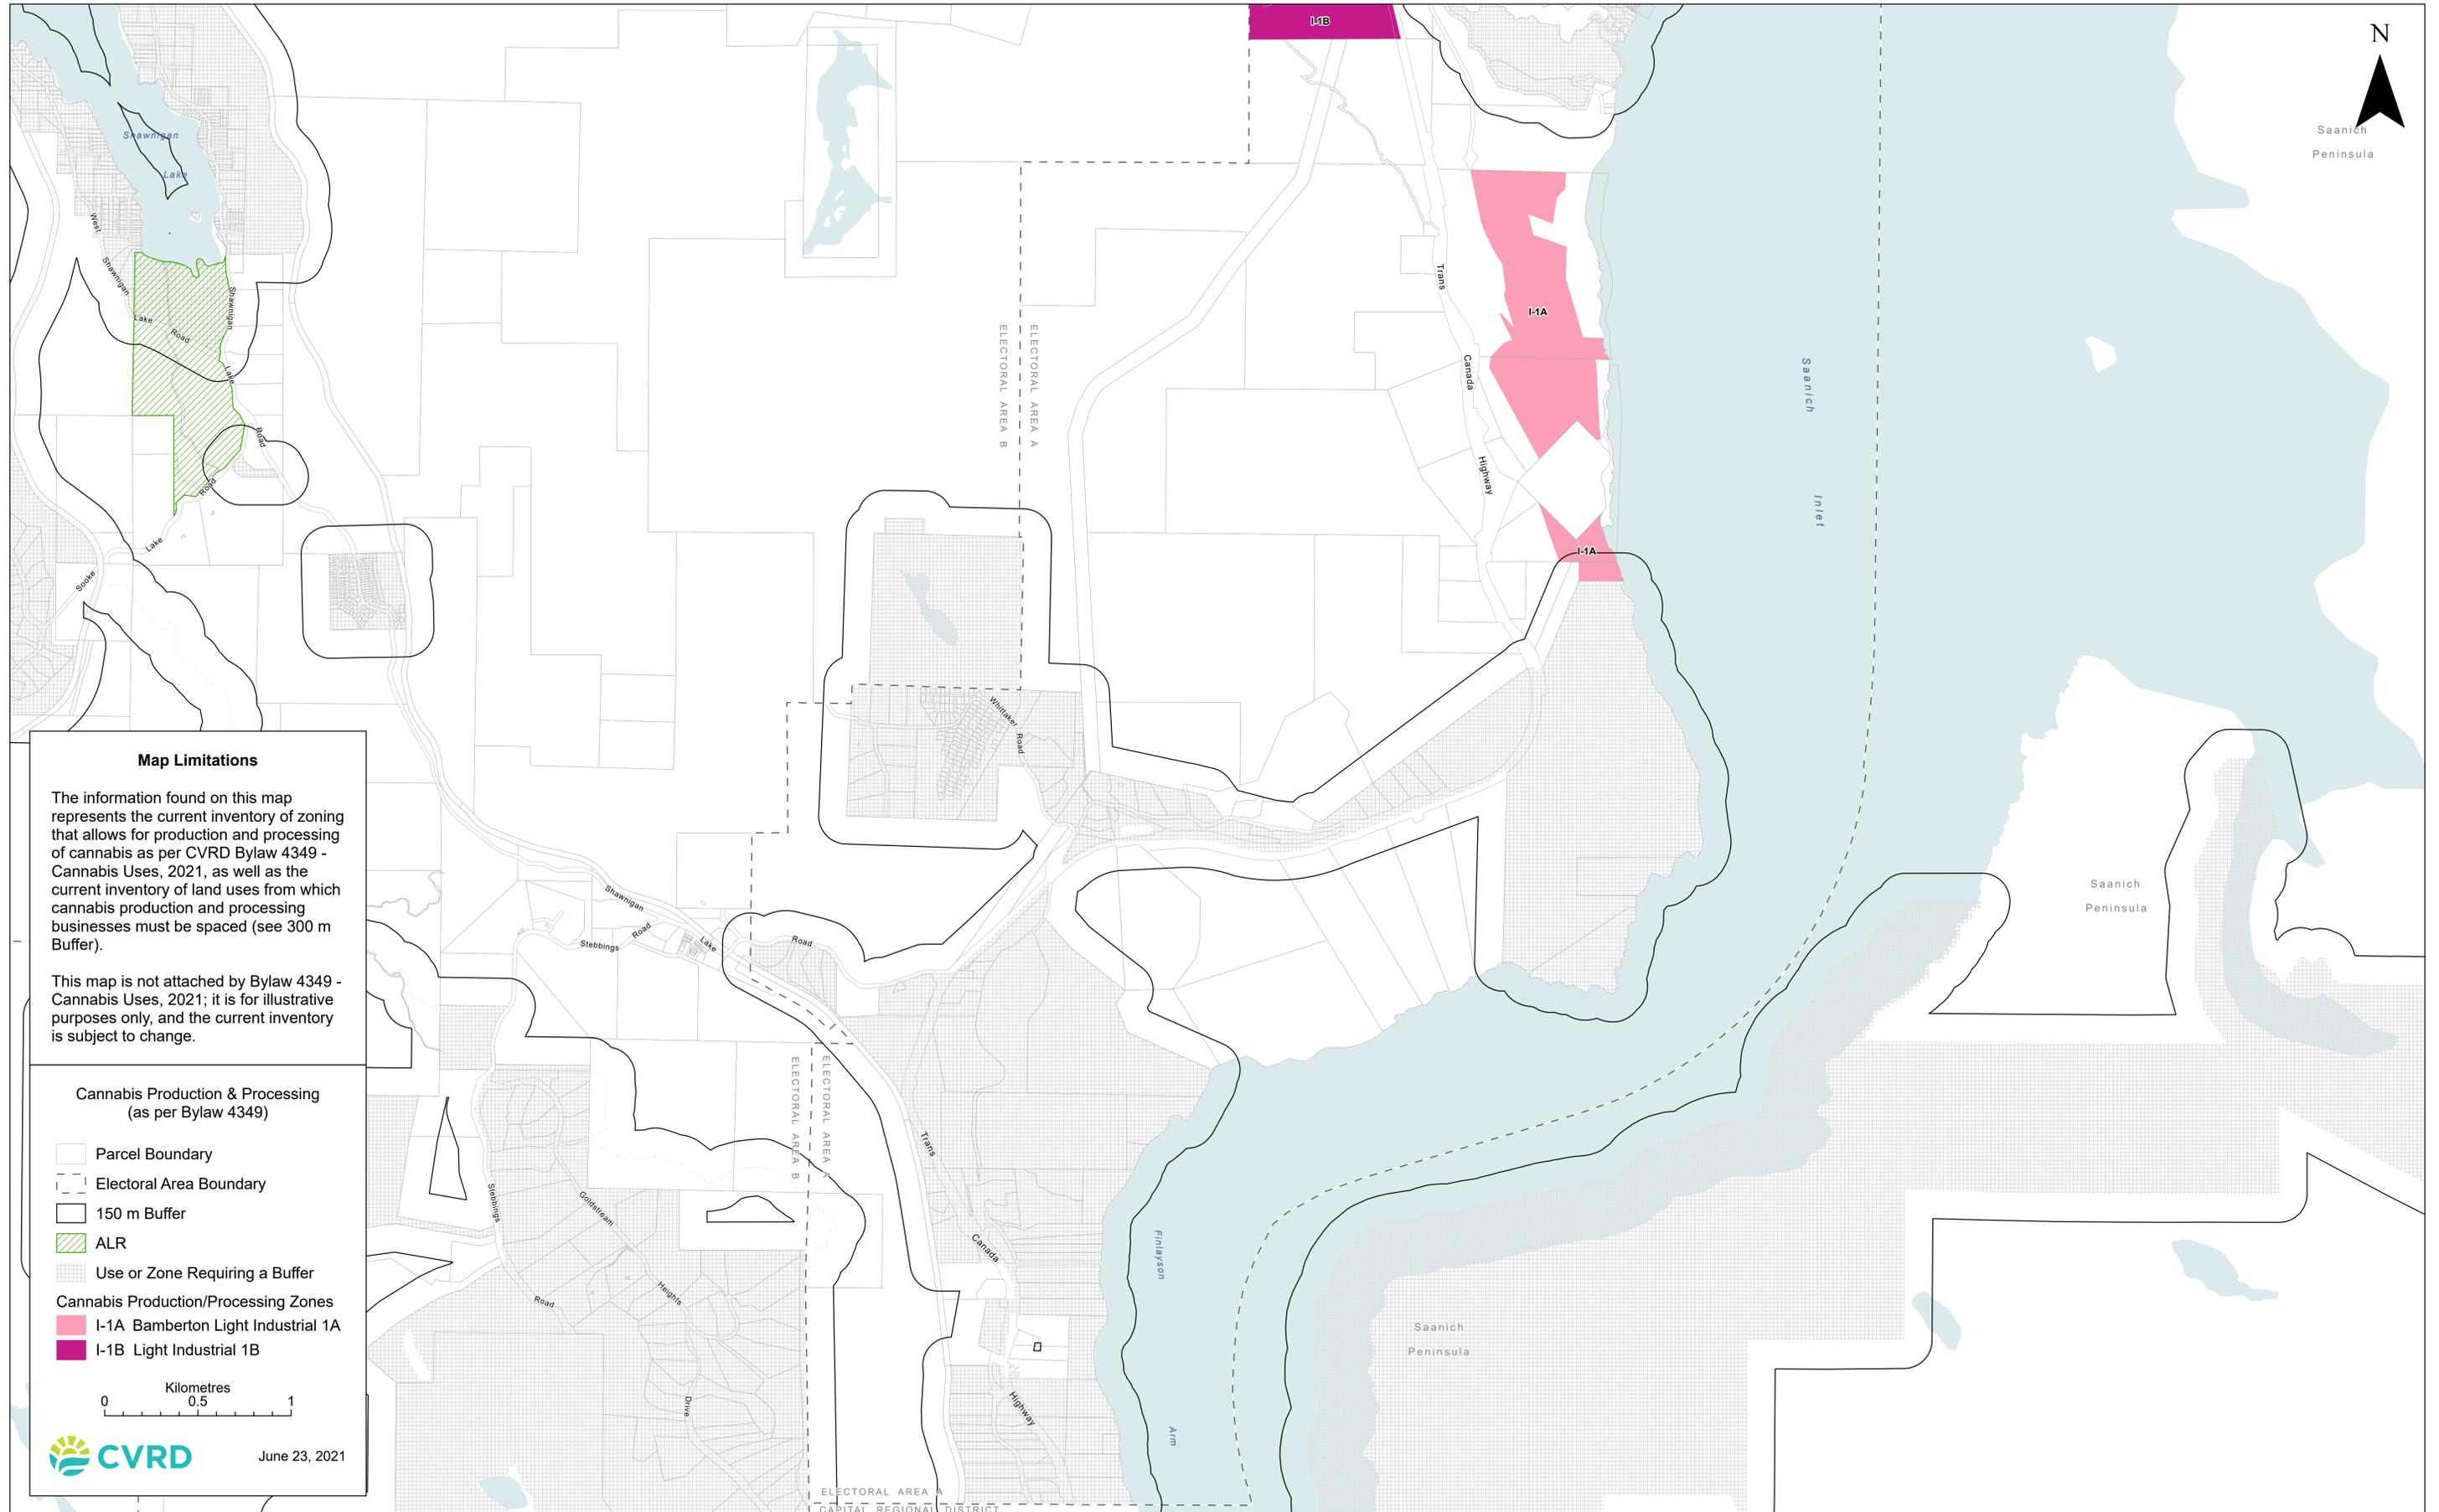

This map is not attached by Bylaw 4349 - Cannabis Uses, 2021; it is for illustrative purposes only, and the current inventory is subject to change.
