Presentation Topic and Nature of Request	I am writing to join the virtual meeting scheduled for April 13/22 to speak to the request put forward April 6/22 to deny use of the Saltair Slopitch League use of Saltair Centennial Park ball fields for the Spring/Summer 2022 Season. I am a member of the Executive for the League and in consultation with other Executive members have been asked to speak on behalf of the

League. I recently reached out to various Directors and representatives and would like a few minutes to represent our League and present another perspective to what was shared.
