Re: Davidson Property – garden shed – Allison Way, Ladysmith

To whom it may concern,

We are aware that Karen and Kenny wish to demolish and rebuild a garden shed on their property on Allison Way. We are one lot away from the subject property to the west, and have no concerns whatsoever about the replacement of an existing garden shed with one that is slightly larger – 20'x24'. The shed would be along the northern boundary of their property, on Shell Beach Road and would not impact neighbours on any side of their property.

We appreciate being asked to write a letter in support of their application.

Any questions, please contact us at the above email addresses or phone number.

Yours truly,

Leslie McGeough

Garden Shed

Hi, Karen and Ken, Thank you for asking about your plan for a new garden shed. We have no concerns whatsoever with your plan to replace your old garden shed and increase the size to 20x24 feet. Good luck with your project and let us know if we can be of assistance.

Hi Karen,

Cynthia and I have no problem with the change in size of your garden shed from 16 by 18 to 20 by 24 particularly as it remains completely on your property.

Sincerely,

Bryan and Cynthia Wiggins
