

BUILDINGS SUMMARY

Total Proposed Units = 60

**Units are a mix of Studio, 1, 2, 3 and/or 4 bed suites. This will be determined by highest best use and owner program requirements.*

Estimated Building Heights

Buildings are proposed at 3 storeys with lowest level proposed as at-grade walkout to north following site grading profile. Levels 2 is proposed to have at-grade access to the south with a storey above to allow for stacked towhome option.
