**Re: 3 Year Expansion Initiatives**

Dear Jim,

As we continue to respond to the impact of COVID-19 and focus our efforts on recovery, the health and safety of our operators and customers remains paramount. As restrictions begin to lift across the province and customers are returning to their normal travel routines, there is also work underway to reinstate many of our key processes in collaboration with local governments. As much as the future remains uncertain, we must also begin to plan appropriately for the future growth of our transit systems.

Each year, BC Transit confirms service expansion plans for the coming year with local government partners, and also confirms service expansion priorities for the subsequent two years. This process ensures that 3-year expansion initiatives are consistent with the expectations of local governments, and allows BC Transit to commence discussions with the Province in hopes of securing the funding and resources to implement service expansions.

In late April, we communicated the decision to defer all planned 2020/21 expansion initiatives until 2021/22 in order to focus our efforts on service and ridership recovery across the province. As our society and the economy have begun to ease restrictions, we have made every effort to ensure that transit service could accommodate the anticipated increase in ridership while maintaining the safety of employees and customers. At the same time, we have begun to reinstate some of the initiatives that were put on hold, including our expansion planning. The purpose of this letter is to re-confirm the desire to proceed with the deferred expansion initiative(s) in 2021/22, as well as identify your expansion priorities for both 2022/23 and 2023/24.

We ask that a signed copy of this letter be returned to BC Transit by November 30, 2020. If you are unable to meet this deadline, please contact me at your earliest convenience to discuss further. Following confirmation of the provincial budget in February 2021, we will confirm with you that supporting provincial funding has been secured and initiate a transit service implementation plan. I look forward to working with you on the continued improvement of your transit service and encourage you to contact me if you have any questions regarding these proposed initiatives.

Yours truly,

## Three-Year Transit Expansion Plan

### Proposed Transit Service Expansion Initiatives

The table below outlines expansion initiatives previously identified for implementation in 2020/21, which are now deferred to 2021/22. The estimated costing remains unchanged from the Expansion Memorandum of Understanding (MOU) previously approved by your local government, and we anticipate that these estimates will be subject to further inflationary increases. Please ensure that these initiatives are consistent with your local government expectations.
